

History – New Student Day Activity

Task 1

Did you know that the Tudors were a dynasty that ruled England from 1485 – 1503. You are probably aware of the famous King who had six wives, but in addition to him can you name the other Tudor monarchs?

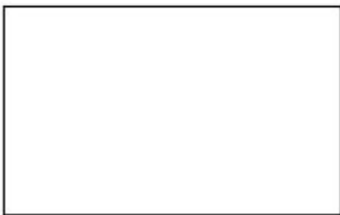

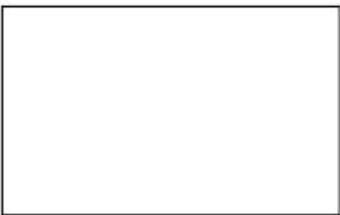

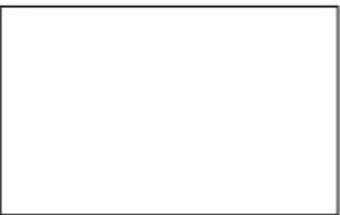

Once you have found out who the Monarchs are, maybe you could provide a timeline with pictures of the Tudor dynasty.

Task 2

Now you have identified the various Tudor monarchs, maybe you could create a storyboard explaining what they achieved and/or any significant impact they had on the country.

Here is an example of a blank storyboard:
